SPIRIT

Shari Johnson

We are all surprised to see, the great support and spirit everybody has shown these first few weeks of school.

We are all glad to see the parents getting involved. There were 300 to 400 people at our opening game.

If you have not noticed already we are selling spirit ribbons, booster shirts, and programs. You are doing a great job of showing your spirit.

This is a spirited cheer to get you excited, so join in and help our cheerleaders yell:

We got the spirit,
Down deep inside.
So bring it up,
Don't let it hide!!!!
(repeat)

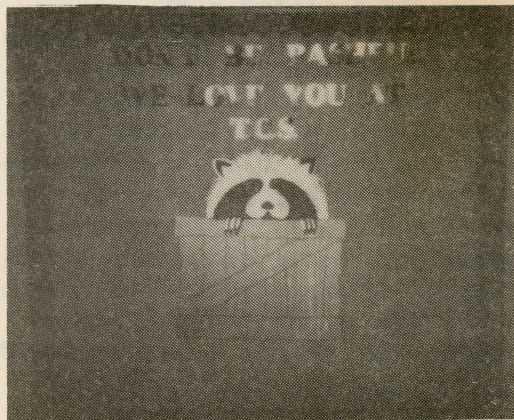

See you at the game!!

AND THE WINNER IS...

Gina Nelson

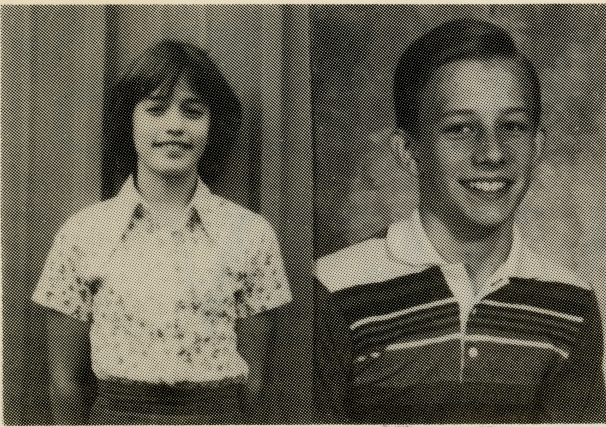

Every year our teachers have bulletin board contests. This contest takes place once a month. The judges come in and look at the boards and choose the one they like the best. The winner gets a big gold ribbon.

Why don't you drop in one day and see Randy Raccoon in fourth grade. All of these boards are very good and I wish all of the teachers the best of luck.

Better keep yourself clean and bright: you are the window through which you must see the world.

In youth we learn, but in age we understand.

Kelly Bishop

Daryl Cook

SPOTLIGHT Cheryl Morris

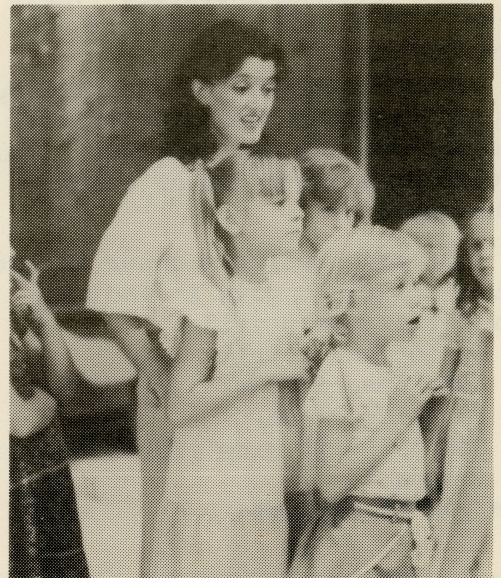

Kelly Bishop, who is an outstanding student, is in the fifth grade. She is an honor student and won the elementary English award last year.

One of her hobbies is playing the piano, and she just joined beginning band this year. She is a friendly person with a good attitude. Kelly is also a very curious person, which makes her a good student. She is well-liked by all her classmates and is a very intelligent girl.

One of the best singers in Temple Christian School is in the ninth grade. His name is Daryl Cook and he goes to Rolling Hills Baptist Church. He loves to study airplanes and wants to be either an airplane pilot or a professional singer when he grows up. Daryl sings frequently in church and was given an award last year for his singing in choir. He was saved when he was four years old and has a good Christian attitude with his friends and his school work. Daryl is also an excellent student. He averages A's and B's on his report cards. Keep it up, Daryl. (Cont.)

SPOTLIGHT (Cont.)

Miss Mason, who is a graduate from Arlington Baptist College, is the Kindergarten 5 teacher and also a PE teacher in the afternoon. Her hobbies are sewing, playing the guitar, charcoal sketching, and she also enjoys cooking. She likes working with children and says that someday she would like to have about half a dozen of her own. Her father led her to the Lord when she was six years old. Miss Mason's goals here are to be a more efficient teacher and to always love and guide her students. We are very proud to have her here at Temple.

INTO ALL THE WORLD Cheryl Morris

Many missionaries to foreign countries are being sponsored by Temple Baptist Church. "Into All the World" is a news column this year that tells about some of these missionaries and the work they do in many different countries.

Bob and Pigeon Nastasia are missionaries to Thailand. They have reported to us about much of the military situation in Thailand. There has been a lot of fighting going on since the US military left Thailand. They say there is no great danger to Thailand except to its borders. There is heavy fighting on the northern and southern borders. The Thai government has found a document that states Vietnam plans to take over all of Thailand in the next 25 years. The Communist Moslems are setting off bombs and killing many people in the south, where it's most dangerous.

The Nastasia's have a church where Bob is preaching and Pigeon is teaching a Sunday school class. More children are joining the church and getting saved every week. The Nastasia's ask that we remember to pray for the Thai pastor and his needs.

VOLLEYBALL Gina Nelson

The girls volleyball team is getting off to a great start with practices every Monday and Thursday.

These girls have really worked hard, so give them all of the support you can, because they are off to a real winning season.

The coach, Mrs. Leck, is really working hard with these girls too.

COMMUNITY COMPACTED: JUNIOR HIGH TAKES IT ON CHIN Maury Foil

On Friday, September 12, 1980 Community Christian matched their football team with Temple Field in Everman. Temple met the match with an 81-21 victory.

Temple worked as a team together. The game wasn't won by any individuals. That is a very important quality for a team to have. The quarterbacks completed sixty-five percent of their passes and chalked up 265 yards. The running backs carried the ball five times and gained 105 yards. That's a 21 yard average. All of this was done by a superb job of blocking by the offensive line. Defensively the linemen pulled off fourteen sacks, while the secondary snatched four interceptions. There was a magnificent job done on the specialty teams as they made five touchdowns during kickoff and punt returns. Keep up the good work guys. Homecoming is just around the corner.

The Jr. High suffered their first loss of the year on Friday also. They lost to Southside Christian 8-6. Our guys came close on a last minute effort, but failed. Even though Jr. High lost, they gave their best and fought tough. Keep up the hard work, guys.

Rendon Christians' football team was lined up to play Temple Friday, Sept. 19, but due to illness of some of the players Rendon was forced to forfeit. We apologize for the inconvenience it might have caused.

Special thanks to Kerry Kahler and Todd Davis for putting paper together and Kelly St. John and Scott Prater for typing.
